

ARTICLE SEVEN - EVALUATION OF ADJUNCT FACULTY

(This article applies to adjunct faculty only.)

A. Purpose

Quality faculty are essential to the academic excellence of an institution. Therefore, it is a mutual expectation of faculty and administration that regular and on-going feedback be provided to faculty regarding job performance.

To ensure that quality teaching and support services remain the core ingredients in undergraduate education, the adjunct faculty evaluation process assesses the performance of the full scope of all assigned duties according to the job assignment and relevant professional standards. The evaluation process identifies and validates strengths, identifies areas needing improvement, and suggests areas for growth. The process also provides a basis for retention decisions.

B. Requirements

1. Uniform and Consistent: There shall be a uniform and consistent evaluation policy for all adjunct faculty as specified in the procedures and forms within this Agreement.
2. Truthful and Accurate: Evaluation information shall be truthful and shall not include unsubstantiated information, including rumors, gossip, or anonymous information of any kind. Information shall not be obtained through the use of sources such as electronic media, listening or recording devices without the written permission of the adjunct faculty member.
3. Limited to Contractual Duties: Adjunct faculty will be evaluated only on contractual duties.
4. Based on Performance not Technology: A distinction shall be made between adjunct faculty performance and technological failure. Malfunctions of instructional equipment shall not adversely affect the evaluation.
5. Timely: All participants are cognizant of the importance of immediate formative feedback and are committed to providing feedback rapidly and completing the process in a timely manner.
6. Content is not Grievable: The content of evaluations collected in a manner consistent with this Article shall not be grievable.

C. Process

1. Criteria: Because adjunct faculty assignments are diverse, evaluation criteria appropriate to the assignment shall be used as specified in the procedures and forms within this Agreement. These criteria include:

- a. Discipline Knowledge
- b. Creation and Facilitation of the Learning Environment
- c. Individual Professional Responsibility
- d. Effective Teaching Methods

2. Timelines:

~~Adjunct faculty members will be evaluated during their first semester assigned at a college and every other semester (once each academic year) thereafter for the first three academic years. If the third evaluation report is “satisfactory,” the evaluation schedule will then become ongoing once every three academic years. If the third evaluation is “needs improvement,” then this three year cycle will be extended one year.~~

First semester adjunct faculty members will be evaluated during their first semester assigned at a college (designated as ADJ-1) and again one to two semesters later (ADJ-2), based on the decision of the committee. Upon completion of the second evaluation, the adjunct faculty member will be designated as ADJ-3. A “satisfactory” evaluation rating after the second evaluation or any future evaluations results in placement on an ongoing three year evaluation cycle. A “needs improvement” evaluation rating on any evaluation results in another evaluation the following semester.

During an evaluation, ~~peer observations and~~ student evaluations will occur in every section taught by an adjunct faculty member. Peer observations will occur in every section taught by ADJ-1 and ADJ-2 faculty. Peer observations for ADJ-3 faculty will occur in one section, mutually agreed upon by the adjunct faculty member and the faculty chair/designee. ~~This~~ The evaluation will optimally occur between weeks 5-8 in semester length courses. In courses that run less than a full semester, the evaluation will occur approximately 35% of the way through the course.

Upon completion of the evaluation, the evaluator will make a recommendation, based on the ratings in Article 7.C.4, either to retain or not retain the faculty member within the adjunct hiring pool.

In the case of an ~~evaluation report~~ observation rating of “unsatisfactory,” the adjunct faculty member, who may consult CCA, will be ~~re-evaluated by a committee consisting of the faculty chair,~~ observed again by a tenured faculty member chosen by the evaluatee, and the educational administrator. Where there are not sufficient department/program area members to ~~serve on a committee~~ conduct the observations,

~~the evaluatee may choose a tenured faculty member from a related discipline.~~s may be used to furnish committee members. Reasonable efforts will be made to complete the committee evaluation within the semester of the chair or designee’s “unsatisfactory” rating. If not completed by the end of week 14 or 80% for short term classes, the affected employee may appeal the “unsatisfactory” rating to the college president or designee within the same semester. The employee has the right to CCA representation at any meeting as part of this appeal. The evaluation will be completed by the end of the semester.

For disciplines with state licensing board requirements, additional evaluations may be conducted as required by the licensing board.

A decision regarding retention within the hiring pool will be made after ~~(a) the committee evaluation, or (b) failing a completed committee evaluation, the appeal to the College President or designee.~~ In case of such appeal, the adjunct faculty member and faculty chair will be notified of this decision within 15 working days of making the appeal.

3. Components: The purpose of the multiple components listed below is to get data from a variety of perspectives for diverse faculty assignments. Every effort should be made to integrate the data in its entirety in contrast to overemphasizing any individual component.

~~a. Instructional Materials Review (form D/ADJ; instructional adjunct faculty only): Review of the evaluatee’s submitted instructional materials, which must include current course syllabi, including grading procedures, and sample course assignments/assessment activities.~~

~~b.~~ a. Peer and Administrative Materials Review and Classroom Observations ~~(forms appropriate to adjunct assignment; see Checklist in Article 7 Appendix):~~ Announced and scheduled observations by committee members of adjunct faculty work and interaction with students. For ADJ-1 and ADJ-2, oObservations should be made of all instructional, counseling and library assignments. For ADJ-3, the faculty chair or designee shall observe one assignment, mutually agreed upon with the evaluatee. (Forms appropriate to adjunct assignment; see Checklist in Article 7 Appendix.)

~~e~~ b. Student Evaluations ~~(forms appropriate to assignment; see Checklist in Article 7 Appendix):~~ Evaluative reviews by students about interactions with the evaluatee conducting various duties, ~~{such as teaching, counseling, library, and other support services}.~~ (Forms appropriate to assignment; see Checklist in Article 7 Appendix.)

~~d~~ c. Administrative Assessment Review ~~(form Q/ADJ):~~ Evaluative review by Educational Administrator. (Form Q/ADJ.)

~~e~~d. Faculty Service Survey (~~form P/ADJ; all adjunct faculty with non-instructional duties that have no student contact hours, others optional~~): Assesses the evaluatee's contribution to the KCCD community from the unique perspective of peers outside the discipline area or in the community, concerning faculty service. (Form P/ADJ; all adjunct faculty with non-instructional duties that have no student contact hours, others optional.)

~~f~~e. Evaluation Summary (~~attached to form A/ADJ~~): Chair/~~designee~~ or committee, as appropriate, develops the Evaluation Summary and makes a recommendation based upon data from the evaluation process. Summary may include a minority report.

~~g~~f. Evaluation Summary Meeting: Meeting to clarify the Evaluation Summary, recognize faculty strengths, suggest areas for improvement and development, and inform the evaluatee of the committee recommendation. Committee members and evaluatee sign form A/ADJ no later than the end of the term of evaluation.

4. Ratings

a. Satisfactory: In the case of an ~~re~~-evaluation report of “satisfactory,” the employee will be retained within the hiring pool.

b. Needs to Improve: In the case of an evaluation report of “needs to improve,” any recommendation for reappointment shall be given with specific recommendations for improvement. This rating will result in an evaluation the following semester.

c. Unsatisfactory: In the case of an evaluation report of “unsatisfactory,” ~~the adjunct faculty member will be re-evaluated according to Article 7.C.2. In the case of a report of “unsatisfactory” from this second evaluation,~~ the adjunct faculty member will not be eligible for rehire.
