	This program meets the core mission of CTE.	
	The EMT Program meets the primary mission of	
	the college by offering entry level health care	
	employment. The California Employment	
	Development Department estimates that Kern	
	County will experience a 19% increase for EMT's indicating continued employment opportunities.	
	Based on employer surveys and anecdotal data,	
	85-95% of students who attain an EMT certificate	
	are employed in the community. The average	
	starting wage is \$13.10/hr.
