

BAKERSFIELD COLLEGE AIQ - MIDTERM TEAM
2021-22 Faculty Leads

Bakersfield College's Midterm Report for the Accrediting Commission for Community and Junior Colleges (ACCJC) is due October 17, 2022. AIQ put a call out for Faculty to serve on the Midterm Report Team task force that will report directly to AIQ.

Leo Ocampo will serve as the administrative lead and the following faculty have been chosen to serve in the following roles (see attached "*2021-22 FacultyLeadership MidtermReport*" call to faculty for additional information):

Role	Faculty
Lead	Jason Stratton
Writer	*Vacant*
Editor	Laura Miller
Indexer	*Vacant*

*note: AIQ, as well as the Midterm Team, will continue to recruit faculty for the vacant roles. The Indexer has more leeway as that role is most needed starting in the Spring 2022, however any interested Writers are encouraged to self-nominate as soon as possible.
