

Safety Advisory Committee Report to Academic Senate

March 2, 2022

Announcements:

- While the state mask mandate was lifted, Bakersfield College continues to institute a mask mandate indoors on campus.
- There are still concerns about people wearing masks in the Dining Commons. If you visit the dining commons, please wear a mask to set an example and promote awareness unless you're seated eating.
- KCCCD hired a company that is evaluating our Emergency Response Procedures. This will take several months to complete.
- Two new Safety Officers (Jesse Luevanos and David Lara) were hired and are currently completing training.

Completed Items:

- Lighting on the north side of FACE between CDC fences.

Upcoming Items:

- Lighting on north side of Admin toward P1.
- Perimeter Campus Lighting near bushes.
- Risk Management is completing RFQ for purchase of software to updates AEDs.
- Working with Academic Technology on how safety training can apply to flex hours.

Respectfully submitted,
Roy Allard, Faculty Co-Chair
Shelly Castaneda, Administrative Co-Chair
Tina Johnson, Classified Co-Chair
