

Academic Senate: ISIT Report

March 23, 2022

Pam Boyles, faculty co-chair

Notes from March 7, 2022 ISIT Meeting

Guest Leo Ocampo shared the Accreditation Midterm Report, suggesting that ISIT review the Program Pathway Mapper and to offer suggestions, ask questions, or provide evidence if applicable

The ISIT Committee's "Reports to" section of the Committee Charge was reviewed and updated to include the following update (in red):

REPORTS TO	Academic Senate, College Council, and College President.
------------	---

The annual spring Employee Survey was reviewed and amended, returning to the pre-COVID questions of the employee survey. The updated survey will go out in April.

Academic Technology:

No report.

Student Services:

Dan Hall (Student Success Technology) reported that live chat was temporarily suspended in February due to staff issues that have since been resolved and live chat has resumed. Also, the Elucian Recruit has a convenient feature that allows automatic follow up with prospective students.

Technology/Construction Updates:

- BC Southwest is completed.
- The Delano campus's Learning Resource Center's official ground-breaking ceremony is scheduled for Friday, March 11.
- BC Campus updates—
 - Auto Mall & BC partnership ready for action in April.
 - Annex (old Bookstore/Business Office building) is on schedule.
 - The new Science & Engineering building will be completed between April and summer.
 - New wrought-iron fencing has been completed around Ag areas of campus; demolition of Agriculture building will occur this summer.
 - Umoja Center will be completed this summer via conversion of a Humanities classroom.
 - Athletics gym expected to be complete in 2023.
