

## Accreditation and Institutional Quality (AIQ) Committee

### Fall 2022

September 21, 2022

Grace Commiso, AIQ Faculty Chair

AIQ first committee meeting was held 9/13/22

#### AIQ Charge review

- Reviewed senate recommendations for committee charges to ensure clarity and consistency.
- Reviewed membership guidelines, reminded we are not a brown act committee and what that means for the charge.
- Will review and vote on recommended changes at our next AIQ meeting, then bring to the senate.

#### BC and KCCD Services and Institutional Quality Survey

- Typically, in years past, the committee would spend the spring term focused on BC's Accreditation & Services Survey however, last year we voted to administer the survey in the fall term. – Expect to see this come out later this term, then results will be shared in spring.

#### ACCJC Midterm Report

- Approved by Senate (4/20/22)
- Approved by College Council (4/22/22)
- Approved by KCCD Board of Trustees (8/11/22)
- Next report will be the Institution Self Evaluation Report (ISER) due in 2025. BC's ISER will fall under the new standards expected to be in effect by 2025. ACCJC is hosting several free webinars for anyone interested in learning more <https://accjc.org/webinar/>.

#### Review of BC's Institution Set Standards (ISS)

- 2021-22 needs approved by Senate, 1<sup>st</sup> read was tabled end of spring, till fall, and then again at the first senate meeting. On agenda again September 21 for a first read.
- BC is meeting or exceeding standards. Some recommendations were proposed by AIQ for increasing standards we have well exceeded, using a 3 year average.
- Proposals for increases in aspirational goals are calculated on a 5% increase for 3 years.
