

Standing Committee Nomination Procedure Revision for Contested Faculty Slots

1. Applicants have a 24-hour window to apply for standing committee membership by the Committee Nomination Form starting at a date/time announced by the Senate.
2. The 24-hour window begins with the time announced by the Senate for the start of receiving nominations via the Committee Nomination Form and ends 24 hours later.
3. If there are more applicants for a faculty representative slot on a given standing committee, a random lottery chooses the necessary number of members from all the applicants for that faculty slot.
4. The random lottery will be held at the first full Senate meeting of the academic year.
