Seeking a Faculty Co-Chair

Please submit Co-Chair request via the [Task Force, Ad Hoc, Liaison and Other Committees Request Form](#)

About:

The Competency Based Education Implementation team is an ad hoc committee which supports the college mission, values and goals by functioning as a steering committee for CBE development. The committee will establish a process for implementation of a direct assessment competency based education program, coordinate implementation, program development, and monitor progress in accordance with the guidelines for the CCCC Collaborative.
