

# Assessment Report to Academic Senate

February 14, 2023 | Becka Zepeda, Faculty Co-Chair

- Assessment met for the first time in Spring 2024 on February 2.
- Our 2 big projects this Spring are:
  1. **Updating [department SLO assessment plans](#)**. Your Assessment rep will be reaching out to your department to [update your departments' plans](#) for which SLOs they will assess through 2023-2024.
    - a. Please work with your Assessment reps so they can update the plans they are responsible for by **March 1!**
  2. **Assessing ILO 1**(Think critically and evaluate sources and information for validity and usefulness). A major part of this assessment will consist of Assessment asking for faculty to submit examples of assessments (assignments) you give your students that ask them to demonstrate competency in a field of knowledge or with job-related skills.
    - a. You'll have an email in your inboxes from your department rep asking for submissions, but you can also **find the [call online here](#)**. In the call, you will find instructions for submitting an assessment (or as we're calling them, an artifact), and you'll also find a list of examples of what types of assignments might qualify as asking students to demonstrate competency.
    - b. Please submit your artifacts to [rebecka.zepeda@bakersfieldcollege.edu](mailto:rebecka.zepeda@bakersfieldcollege.edu) by **February 26!** We look forward to seeing artifacts from all of Bakersfield College's pathways.
