

ACADEMIC SENATE

SCREENING COMMITTEE APPOINTMENTS Optional Bios

For review at the January 29th Academic Senate meeting

Educational Administrator

Associate Vice President of Instruction

Call went out with deadline of Tuesday, January 28th at 10am to submit interest and optional biographical information. Faculty are listed alphabetically by first name.

Rebecka Zepeda, Biological Sciences

Rebecka Zepeda is an Associate Professor with a decade of combined teaching experience at both Bakersfield College and CSU Bakersfield. Rebecka has also served on numerous screening committees, including the last President search. She has also served as the faculty co-chair for both the assessment committee and faculty handbook taskforce and is currently serving as the Academic Senate Vice President. Rebecka would be representing the Biology Department if selected to serve on this committee.

Victor Diaz, Department Chair Counseling

I currently serve as the Student Success and Counseling Department Chair, in the past I have served as Vice President of Academic Senate, I have also serviced on College Council, Curriculum Committee, Program Review Committee, and many task force and campus wide initiatives.

I truly believe Bakersfield College not only supports a value of diversity but actually sets a standard and can serve as a model to the work. I for one believe in allowing all qualified and experienced individuals who will add to the spirt of diversity alongside of the internal drive to educate and support all Bakersfield College students should consider Bakersfield College as an opportunity to continue to serve our diverse student population and communities.

I hope that my 25 years of experience at Bakersfield College on both the faculty and student services side can contribute to the goal of this committee in continuing to hire top level administrators to continue with the legacy that is Bakersfield College and supporting all its students.

KCCD AVPI Job Description
