Academic Senate for California Community College (ASCCC) Updates

Resolutions Study Sessions

Mon, October 20, 2025, 9 - 10:30am

[Register for the Session](#)

Area meetings were on Friday, October 17th. The [Resolutions Process](#) and packet was reviewed. More resolutions and amendments will be coming! I will send an email out soliciting feedback.

Changes and reminders for Resolutions Process –

- If a motion/resolution is not clear, vote the motion down. That doesn't mean the body is against the idea. It means the resolution needs to be clearer.
- No more "motion to refer" or "motion to withdraw" so that the body can vote resolutions down instead.
- Only registered attendees can submit resolutions or amendments after Area meetings.
- Comments and Questions submitted through the Resolutions Process page will be published with the person's name and college.

At least three discipline revisions or additions will be presented at the [Disciplines List](#) hearing for 2025-26. The Mathematics Discipline submission from BC is one of them! As a reminder, discipline hearings are open to all community college faculty, not just those who are attending plenary. More information will be coming.
