

# FSC Report to Academic Senate

January 28, 2026

## Goals of the Committee:

### FACILITIES

- Strategically plan, budget and implement for campus upgrades.
- Work with the District Facilities Department for campus prioritized construction projects.
- Identify and prioritize areas of improvement on campus.
- Grant support – Facilities upgrade support for various grants.
- Coordination of construction projects with Office of Instruction and Facilities & Events for minimal impact to staff, students and community.

### SUSTAINABILITY

- Develop sustainability policies and procedures.
- Develop a long-term plan for implementing sustainable practices.
- Recommend new initiatives to promote sustainable practices to the College.
- Communicate, educate, and promote sustainable efforts to campus community.
- Improve recycling efforts campus-wide.
- Determine ways the college can reduce its impact on the environment.
- Provide an annual report to the campus community on sustainability progress (progress report card) with benefits and cost analysis.
