Exceptions to the BC GE Completion Process

1. Students may use Summer 2018-Summer 2025 BC GE-approved courses to fulfill current BC GE pattern requirements for areas 1, 3, 4, 5, 7, and 8. GE Pass Along requests must be used for areas 2 and 6.
2. Students completing a degree using a Pre-Summer BC GE may use courses approved for the current BC GE pattern in any applicable area. GE Pass Along requests should be used when the titles of areas are not equivalent.

Note: These provisions are intended to allow for exceptional cases in which a student would be required to repeat a similar course or courses in the same GE area, expend more financial aid, exceed the transferable unit cap, or incur other undue burdens to completion without this exception.
