

# Online Education Resource (OER) Liaison Report to Academic Senate

02/25/2026

## Goals:

1. Expand student understanding of OER/ZTC existence and how to identify OER/ZTC courses
2. Increase the number of faculty adopting OER/ZTC textbooks and materials
3. Improve the accuracy of faculty identifying their courses as OER/ZTC

## Announcements:

- Visit [BC's OER Faculty Resources page](#) for all things OER/ZTC

## Completed Items:

- Participated in “Why OER Matters” Flex workshop with Gilbert Ayuk (Chair of EODAC) and Joey Merritt (OER librarian) on January 14, 2026. Thank you to all that attended!
- Sent OER monthly newsletter February which highlighted a new Astronomy OER

## Upcoming Items:

- I am looking forward to working with the Office of Institutional Effectiveness to track OER adoptions by using the data from eCampus and identifying which departments and which courses are using an OER/ZTC.
- Look for monthly emails from Fabiola Butcher regarding ASCCC OER Newsletter

Respectfully submitted,

Fabiola Butcher

OER Liaison Representative
