Petition for Participatory Governance in Re-Envisioning District Business Process (McClure)

Description: CSEA has proposed a [Petition for Participatory Governance and Contractual Compliance](#) in the Reorganization of District Business Process 1<sup>st</sup> Read.

***M/S/C: (McAllister moved/Ysais seconded) to approve the petition; motion carried unanimously.***

Members discussed the reason behind the reorganization and recognized that the petition ties into today's AIQ survey presentation regarding decision-making (standard 4.2) and its low ranking with participatory governance. BC and KCCD should provide consistent opportunities for stakeholder participation. This reorganization can occur at any time in any area. Members shared that the last forum held regarding the reorganization focused on Banner 9 and not the reorganization.
