

# Facilities & Sustainability Committee

April 8, 2026

## Goals of the Committee:

- Improve stakeholder engagement
- Promote STAR certification
- Respond to program review requests

## Announcements:

- BCSGA has passed a resolution requiring “Implementing a new inclusive emergency light system on all campuses”. This is a significant size project and requires a response / implementation plan.

## Completed Items:

- Committee charge has been revised and approved by AS

## Upcoming Items:

- Stakeholder communication plan (ongoing)
- BC and CREL plan to file for STAR certification this semester

Respectfully submitted,

Marcos Rodriguez; Paul Murray (co-chairs)
