College Goal 2: Professional Development	
Committee Goal	from Notes: create a Staff Development workshop or presentation to give the campus community an opportunity to become familiar with and discuss accreditation. ASC will create a newsletter for distribution in January or February and again in late spring to inform campus community of progress in accreditation and the follow-up visit. Accreditation is currently being presented in the new faculty orientation classes.

College Goal 5: Oversight & Accountability	
Committee Goal	Update progress on AIPs and develop strategies for improvement and progress on any that have not been addressed. (2012-13 goal)
Action Plan	Invite people working on AIP activities to speak informally to ASC. Develop document to summarize work. Summary from Notes: Invite those responsible for progress on AIPs to ASC meeting every month or every other month to report on progress. Create a separate document that can be used to show progress. We may begin in October. Nan and Kate will determine who visits and when.
Timeline	Fall and Spring (5 AIPs)
