SAVE THE DATE!

Saturday,

MARCH 28, 2026

Connect with STEM and health professionals while exploring education and career opportunities through workshops, a resource fair, and keynote speakers.

Elio Morillo is recognized for his work on the Mars 2020 Perseverance mission. His inspiring journey from immigrating to the U.S. as a child to becoming a systems engineer is shared in his memoir, *The Boy Who Reached for the Stars*, encouraging underrepresented students to dream beyond their beginnings.
