

Student Consent Form

By the Bakersfield College Assessment Committee

This form asks for your consent for your instructor to share your classwork with the Bakersfield College Assessment Committee. Your classwork will be used to help assess Institutional Learning Outcome 2 (Communicate) during Spring 2022.

By signing this form you are granting permission for your professor to share this classwork with the Assessment Committee. Only this piece of classwork will be shared with the Committee; none of your other classwork will be shared. Your identifying information will be removed from the classwork so that you will not be able to be identified. In the case of an oral assignment (such as a speech, debate, recording, etc.), your professor will not submit a recording of your voice or face, but will instead submit a video of themself discussing your assignment, so as to keep your identity anonymous.

If you have questions about the Institutional Learning Outcome 2 assessment this spring and/or the role your classwork will play in the assessment, please contact the Assessment Committee Co-Chair, Faith Bradham, at 661.395.4682 or faith.bradham@bakersfieldcollege.edu.
