

## Institutional Learning Outcomes (ILOs)

### Assessing ILOs at Bakersfield College

Bakersfield College (BC) has four Institutional Learning Outcomes (ILOs), with the goal that every student who completes a degree or certificate will be able to achieve each ILO. The Assessment Committee's primary responsibility, as outlined in its charge, is to "support student learning by ensuring that all assessment processes align with the college's mission, address the needs of students and the community, and meet legal and regulatory requirements." In line with this, the committee regularly assesses BC's four ILOs.
