Dear SGA,

I am writing to formally resign from my Legislative Affairs Manager position as a member of the Student Government Association (SGA) at Bakersfield College, effective immediately. This decision has not been taken lightly and follows careful consideration.

I have had the privilege of serving as a member of the SGA, and I'm grateful for the opportunities and experiences I have gained during my time in this role. I have enjoyed working alongside my fellow SGA members and contributing to the betterment of our college community.

However, after much thought and reflection, I have decided that it is in my best interest to step down from my Legislative Affairs Manager position in the SGA. I believe this decision will allow me to focus on other personal and academic pursuits as I continue my journey.

I want to express my sincere gratitude to everyone in the SGA for their support, collaboration, and the positive experiences I've had. I am willing to assist in the transition process to ensure that the SGA continues its vital work effectively. Please let me know how I can best support this transition.

Thank you for the opportunity to be a part of the SGA and for the valuable experiences and relationships I have gained. I wish the SGA continued success and growth in the future.

Sincerely,

Moises Camarena
