

Dear BCSGA,

I am writing to express my eager intent for the position of **Student Organization Funding Manager** at Bakersfield College.

1. Why are you interested in being appointed to this position?

I am passionate about promoting student engagement and ensuring that student organizations have the financial resources and support they need to succeed. This position aligns very closely with my interest in finance, club and team management, leadership, and being part of the community at BC. I am excited by the opportunity to play a key role in the club funding to enhance student life at Bakersfield College.

2. What skills do you have to be successful in this position?

I have held leadership positions within my middle school and highschool within student government including being the president. I have lots of experience with funding and the handling of such funding when figuring out activities and reimbursements. Additionally I feel that my communication skills that I have developed through customer service related roles and being in leadership positions in the past will help greatly in running this position. I am detail oriented and committed to accuracy, ensuring that funds are allocated appropriately and efficiently.

3. Why does Bakersfield College have a student government?

Bakersfield College has a student government to empower students to have a voice in campus decision making and to help grow leadership, responsibility, and life skills within themselves. The student government advocates for student needs, manages the allocation of funds to student organizations, and organizes programs that promote the campus experience. It serves as a connection between the administration and students, ensuring that the many needs of our community are represented and addressed. Bakersfield college wants everyone to be a part of the success and resources that are provided on campus.

Thank you for considering my application.

Best Regards,
Angel Perez
