

# AYDIN A. GARCIA

Bakersfield, CA

## PROFESSIONAL SUMMARY

As a dedicated student in Industrial Automation with hands-on experience in IT support, robotics leadership, and technical troubleshooting, I bring a blend of practical skills and proven initiative. My roles as Robotics Club President and Help Desk Intern have prepared me to contribute effectively to fast-paced technical environments. I am seeking an opportunity to grow professionally while contributing to innovative technology teams.

## EDUCATION

**Bakersfield College** – A.S. & B.S. in Industrial Automation (In Progress)

**Career Technical Education Center (CTEC)** – Computer Technologies

**Liberty High School** – Graduating May 2025 GPA: 4.1

Relevant Coursework: Computer Science Principles, Honors Physics, Honors Chemistry, AP Psychology, AP Computer Science A
