I am writing to formally resign from my position as Student Organization Funding (SOF) Manager. Serving in this role has been an incredibly meaningful experience. I am grateful for the trust placed in me to coordinate and allocate Student Organization Finance grants, manage SOF budgets and operations, support recognized student organizations with financial advisement, and assist in departmental administration. Contributing to agendas, minutes, and stepping in when needed to support the Director of Student Organizations has strengthened my skills and deepened my commitment to serving our student body.

After thoughtful consideration, I have decided to pursue the Director of Finance position within BCSGA. This opportunity aligns with my growing interest in financial leadership, budget development, and supporting the Association at a broader level. I believe the experience I've gained as SOF Manager has prepared me well for this next step, and I am excited about the possibility of continuing to serve our community in a new capacity.

I remain committed to ensuring a smooth and organized transition. Thank you again for the opportunity to serve in this role and for the guidance and support you have provided. I look forward to continuing to contribute to BCSGA in whatever capacity I am able.

Sincerely, Frankie Dirden
