Enhanced Verification & Visual Identification

- All BCSGA and club-sponsored events will include a standardized scanning system to track participation. This ensures fair allocation of points toward tier upgrades and minimizes fraud.
- Three methods are authorized:
- QR Code Sign-In linked to a Microsoft Form (logs name, ID, tier, and event).
- Barcode/QR Code App Scanning (if integrated into BC student life tools).
- Manual sign-in sheets, approved by BCSGA staff or club advisors.
- Verification measures, such as randomized event codes and staff initials, will be employed. Monthly audits will be performed by the Director of Finance.
