**8. NEW BUSINESS**

*Items listed in this agenda item have not already been read or discussed once and thus are considered for approval of the committee*

- a. It was moved by Senator Graves and seconded by Senator Nicholson approve the allocation of \$3150.00 from TA100-CCA Grant for the registration of 21 students to the BCCCC Conference  
**Discussion:** It was addressed that under the eligibility of the CCA grant, it must be an office, department, or service from Bakersfield College that is not funded by the Office of Student Life or BCSGA, whereas this group does not meet any of those qualifications. It was also addressed that the BCSGA Department on Student Organizations had already made an exception to WECOMM for a prior grant, as well as having reached their \$1000 limit if they were looking to apply for a SOF grant. It was further expressed that it is in the best interest of the committee to not set an example that seems as though BCSGA is favoring WECOMM or other students. A member of the committee expressed that it is also not in the best interest of BCSGA to set a precedent in that the association is funding an interest group. Additionally, the committee had discussed the “rights” and “wrongs” of the policy to approve the allocation. It had been rebutted that it is a conference to better the student’s professionalism, that the previous Chancellor was going to be speaking, and that this was an unequivocal experience for the students wanting to attend. It was then countered that the request first given stated that the students were to be volunteers, but at this meeting they were posed as being conference attendees. As such, it was questioned how the volunteers would fully benefit. If the students are to be volunteers, then it would seem fit for the Black Caucus to fund their attendance instead. If the students are to be attendees, then it might be fit for BCSGA to fund their attendance. But it was then expressed that it is not WECOMM and some BC students attending, but that it is now just regular students looking to attend. This particular conversation further made the allocation request unclear. It was also expressed that this request is very close to the conference date and it was still unclear why it was so late. If what would have been the “club’s” request and their fail safes did not work, then notice should have been given far more in advance to help remediate the issue.

**\*\* It was moved by Senator Nicholson to move to the previous question. There was no second and the motion died.\*\***

**\*\*It was moved by Senator Chavez and seconded by Director Mendoza to move to the previous question, such that discussion ends.**

**Discussion:** It was expressed by Senator Graves that further discussion is necessary for this item. Other members felt that the discussion had been exhausted and they are ready to vote.

*The members voted as follows:*

*Senator Graves- No*

*Senator Chavez- Yes*

*Senator Nicholson- Yes*

*Director Mendoza- Yes*

**The motion passed by majority vote of yes, with the votes tallied as 3-1-0, and discussion was terminated to go straight into a roll call vote for the allocation.\*\***

The members voted as follows:

Senator Graves- Yes

Senator Chavez- No

Senator Nicholson- No

Director Mendoza- No

2/3 majority was not met, with the votes tallied as 3-1-0, and the allocation was not approved.

- b. Review of Finance Department’s structure.
  - i. Bill titled, “Finance Department Revisions Amendment.”

**Discussion:** It was addressed that the senate bill looking to be submitted to the Senate body is about making the committee on finance become a department, and to make the Director on Finance become the chair of the department. It is currently not on the Senate's agenda, but it will hopefully be passed through following meetings to come.

**\*\*It was moved by Senator Chavez and seconded by Senator Nicholson to suspend the orders of the day and move to item 11. Adjournment.**

**Discussion: No further discussion occurred.**

**Senator Sanchez sought any objections to the main motion. In seeing none, the motion carried.\*\***
