I had a medical emergency that has temporarily disabled me from performing the tasks required for my fall 2018 courses in the radiologic technologist program. I had surgery on my right hand and I will not be attending classes again until summer 2019. I am asking for a full refund for the fall semester including the BCSGA student services fee of \$15. I learned about the services but unfortunately at this time, I cannot purchase the sticker. I hope In the near future I can buy it. I know there are a lot of benefits to buying the sticker. Thank you.
