07-20-2022 To whom it may concern. I am requesting a refund of \$15 for a charge on my credit card ending in #7471 CitiBank I did not want to pay this charge do to Covid-19, I rarely use any services at student life. I have switch to zoom with all my classes and plan to just take the classes from home were is covid-19 free. I don't have to wear a mask etcetra. I plan to one day return to supporting BCSAG when Covid-19 ends. Please do give me back my \$15 dollars refund. I was force to pay for BCSAG fees or I could not register for my classes.
