I really appreciate what you guys do for the students and everything you guys do for the school. Money will be tight this year so I am better off without this year. Even in the past when I had the card and received fafsa I did not use it at all. Maybe once or twice but that was because I put it to use. I know it is only \$15 dollars but like I mentioned I will be able to use any of the services and discounts that comes with it.</p>
