Hello, good afternoon. My name is Monique Bravo Lerena, and I am appealing the charge the BCSGA program puts on my account. The reasoning behind my appeal is that it will be unnecessary for me. I am taking two courses over the summer to finish GE courses and transfer them over to my current University. All courses I am taking at BC are online and only in the summer, after I will no longer be attending BC unless needed again in the future, therefore there is no need for me to purchase the BCSGA program. Thank you and have a nice day.
