Hello!

I keep getting emails stating that I have a new billing statement issued to me however, I no longer attend BC since fall 2022. This is the second time I get this email that I will have to pay \$15.00. I wanted to know if I could remove that charge or know as to why I keep getting these charges to my account. I am unsure if this is the correct place to talk about this issue or if I could please be directed to someone that knows how to remove this billing statement. Thank you so much in advance!
