I do not need it nor want it. I have been givin more then enough with financial aid and i get help from EOPS. I do not go to the games or need the discounts as i am a online student. I have everything i am required to have in order for me to succeed with my education at Bakersfield College. I got the chromebook from Bakersfield College from the pantry and from EOPS they gave me school supplies such as pencils, notebooks, led, a highlighter, and sticky notes. I am confident that i do not need this in order for me to continue my education perfectly.
