**Please explain in detail why you are requesting a refund. At least 100 word statement is needed. \***

I am currently going through a hardship and I cannot afford to pay the \$15 dollars. Last semester I was in the same position and like I was not able to pay it I didn't use it to my advantage. I now have to pay the previous semesters without using it and getting the benefits of it. there fore I would like to request a refund on this one until I am able to pay it and take full advantage of the perks the sticker has. I dont have the money to pay on time and I dont want to be throwing away money I currently dont have.
