Please explain in detail why you are requesting a refund. A minimum 75 word statement is needed. *

I am requesting a refund for the \$15 a semester, Student Services Fee for the previous four semesters, selected above. Over the last year, I have attended Bakersfield College via online only. This has not required me to attend or visit the physical campus, nor do I use any of the additional services and perks the Student Services Card offers. In addition, over the course of the last year, I have paid for the Student Services card, however, I have never went to the campus to retrieve the card, thus, not using the services.

Thank you for your consideration in this matter.
