Hello,

There's a possibility that other members of the BCSGA have communicated with you about certain rentals, but this email is being made in order to make it easier for my advisor and director to go over our searches. I saw on your website that you had the following,

-Jousting Ring

-Bungee Run

-Bungee/Joust

Would they be available for the 13th or 14th of October, and how much would the rental for each one be, individually?

Thank You.
