KCCD Contract Process:

Bakersfield College is part of a three-institution system named Kern Community College District (KCCD). The District will not sign third party vendor contracts, but will use the third party vendor contract as an addendum along with the [KCCD Independent Contract Agreement](#) (ICA) and the [KCCD Independent Contractor Checklist](#). Once the Speaker has confirmed the offer and submitted third party vendor contract (optional), the Office of Student Life will issue the ICA to be signed by the agency or speaker. Additionally, we will need an invoice stating the final amount due. KCCD does not provide a check the day of presentation, but will be mailed out to the address on the W-9 form after services rendered.

Please note that all contractual agreements and signatures need to be reconciled and completed within 45 days before the scheduled event date to ensure timely payment.

Certificate of Insurance:

In compliance with KCCD Board Policies, third party vendors are required to submit proof of insurance by providing the Office of Student Life with a Certificate of Insurance with an endorsement evidencing liability coverage with limits no less than one million dollars (\$1,000,000). KCCD must be named as the additional insured and Bakersfield College as the certificate holder and must be accompanied by an endorsement. It is the responsibility of the Vendor to report all sales to the appropriate authorities.

If Certificate of Insurance is not obtainable, the Speaker may potentially sign and submit to the Office of Student Life the [BC Consent Form General Release and Waiver of Liability](#).

About the Bakersfield College

Bakersfield College was founded in 1913 and is one of the nation's oldest continually operating community colleges. The college serves 37,000 students on the 153-acre main campus in northeast Bakersfield, at the Weill Institute in downtown Bakersfield, and at the Delano Center 35 miles north of Bakersfield. Classes are offered on a traditional 16-week semester calendar as well as in a variety of non-traditional scheduling options: evenings, weekends, short-term vocational programs and online.

Situated at the southern end of the Central Valley, Kern Community College District (KCCD), doing business as Bakersfield College (BC) is a Hispanic-serving institution (over 64%), serves approximately 5,000 square miles, offering over 70 associate's degrees, more than 30 certificate programs, and a baccalaureate degree to a rapidly growing population. The area is home to Edwards Air Force Base, China Lake Navy Base, Naval Air Station Lemoore, within short drive to numerous other bases and training sites. The close proximity to military services coupled with affordable housing prices combines into a destination for military families to settle.

BC serves the community of Bakersfield, with a population of approximately 399,702, and a larger service area population of more than 736,000. The college has an open admission policy, with a majority enrolled student being low-income (81%) and first generation (80%). BC is committed to establishing a supportive environment and welcoming campus culture for all students along with their dependents. BC understands that the transition to student life can be personally challenging, yet rewarding. BC is grateful to students, and BC is dedicated to providing the services needed to navigate this transition. BC has worked diligently to develop the right environment and intentional services emphasizing academics, camaraderie, and wellness, so that all students can successfully complete their educational goals at BC.

The Panorama campus was built in 1956 and since that time, we have experienced tremendous growth in both overall student population and the number of student that the college serves. BC is approved as an institution of higher learning for the training of students entitled to educational assistance and accredited by the Accrediting Commission for Community and Junior Colleges (Western Association of Schools and Colleges).

Once again, we can support our students academic, but the inspirational message from you is needed to assist our students and community to complete their goals and make the best of their time.
