Dear Natalie Madrigal-Ortiz,

Thank you for your interest in UC Davis. Please allow this to confirm your large group tour. We look forward to sharing our academic strength, student opportunities and beautiful campus with you. Your tour guide will provide an overview of UC Davis, as well as highlight academic strengths, student services and student research/internship opportunities. This is your tour, so we welcome any questions at any time during your tour.

Please note that chaperones/teachers must be present on the actual tour. Teachers and chaperones help to assure that the tours are enjoyable for all participants and help to maintain students' attention and interest during the tours.

This is a walking tour of campus. Please remind your guests to wear comfortable walking shoes and a bottle of drinking water is advised.

If you are arriving by bus and your tour begins from the UC Davis Welcome Center, please follow these directions to drop off your students:

If you take the UC Davis exit from Interstate 80 westbound, please turn right at stop sign onto Old Davis Road. If you take the UC Davis exit from Interstate 80 eastbound, please turn left at stop sign onto Old Davis Road. Continue through the roundabout, through the traffic light at the corner of Old Davis Road and Mrak Hall Drive, then make a left at stop sign of Alumni Lane and pull over immediately to the right in front of the Welcome Center to drop off your group. Please have your bus driver enter the Welcome Center and obtain further directions to the Unitrans Bus Yard from the Welcome Center personnel.

UC Davis requires a 48 hour cancellation notification via e-mail to jjacuna@ucdavis.edu. Groups that fail to cancel their large group tours with UC Davis and fail to show are assessed a \$39 fee per tour guide and those funds are regenerated back to the program to accommodate another school group with a campus tour.

Again, thank you for your interest. We are delighted you have chosen to visit us and we look forward to meeting your group to showcase our beautiful campus for you and your group soon.

Sincerely,

Jessica Acuna
