

To whom it may concern,

I, Bryan Russell, the advisor to the Ethics Bowl club, support the club in their application for the SOF Grant. The grant money will be spent on travel related expenses for our upcoming trip to Harper College for the 2025 National Two-year College Ethics Bowl Championship.

Ethics Bowl is a series of tiered competitions which feature moderated and judged discussions of topical ethical dilemmas. Two- and four-year colleges from across the country send teams to competitions in the Fall, in the hope that they will qualify for the All-college National Ethics Bowl Championship in the Spring. This year, we are lucky to be sending a team of four students, to the competition at Harper College. The students have been practicing since the second week of the semester, and their preparations will continue right up until the November 22<sup>nd</sup> competition.

Thanks for your consideration,
