Grant Proposal

JMM 2026: Joint
Mathematics
Meeting

Location: Walter E. Washington Convention Center, Washington D.C.

2

JMM is the world's largest annual mathematics conference

- We will need to consider the costs of registration, travel, food, and hotel rooms.

Overview

4

1.

Math department will provide funds for our advisor's:

- Registration
- Travel
- Hotel room
- Per diem

2.

The American Mathematical Society will provide us \$4000 in travel grants, which will go towards student:

- Registration
- Travel
- Per diem

3.

Math Club will provide \$1090 in funds for this trip as well for the 5 students participating

4.

The Math Club requests \$1000 in SOF travel grant funds for this trip

5.

Our trip would start on January 3, and we would come back on January 7th.

Joint Mathematics Meetings

January 4–7, 2026 in Washington, D.C.

Additional Points

5

Two research groups will present their work at this event

- Both the Pokemon Go and Busy Beavers research teams have been accepted to present at JMM 2026.
- Work will be presented at the Poster Session for Undergraduate Students hosted by Pi Mu Epsilon (PME), the U.S. honorary national mathematics society.
