3B7 Speech: Time, Place and Manner

Students, employees, and members of the public shall be free to exercise their rights of free expression, subject to the requirements of this policy.

The Colleges of the District are non-public forums, except for those areas that are designated public forums available for the exercise of expression by students, employees, and members of the public. The Chancellor or designee shall enact such administrative procedures as are necessary to reasonably regulate the time, place, and manner of the exercise of free expression in the designated public forums.

The administrative procedures promulgated by the Chancellor or designee shall not prohibit the right of students to exercise free expression, including but not limited to the use of bulletin boards, the distribution of printed materials or petitions and the wearing of buttons, badges, or other insignia.

Speech shall be prohibited that is defamatory, obscene according to current legal standards, or which so incites others as to create a clear and present danger of the commission of unlawful acts on District property or the violation of District policies or procedures, or the substantial disruption of the orderly operation of the District.

Nothing in this policy shall prohibit the regulation of hate violence directed at students in a manner that denies their full participation in the educational process, so long as the regulation conforms to the requirements of the First Amendment to the United States Constitution, and of Section 2 of Article 1 of the California Constitution. Students may be disciplined for harassment, threats, or intimidation unless such speech is constitutionally protected, members of the public may be asked to leave the campus pursuant to current law. (See Administrative Procedure 3B1).
