1	The discussions surrounding curriculum and assessment were incredible. The research and insight that Liz, Billie Jo, and David have accomplished is mind-blowing!	5/17/2016 9:24 AM
2	The discussion regarding Prison Education. One of the inmates who had gone through a prison education program presented to College Council the importance of prison education and how it had made him hopeful of a better future. His parents were in the meeting to show support in his accomplishments and goals.	5/17/2016 9:12 AM
3	I really enjoyed hearing about expanding the college with swing space. I believe we all had a lot of input regarding preferences. Over the past few years the campus has grown so much and it is so refreshing to continue to see it expand and grow.	5/17/2016 9:09 AM
4	financial aid student debt matter	5/17/2016 8:05 AM
5	As a new member to the committee I just loved coming along for the ride. I hope that my presence reflected the views and opinions of my department. I hope that I helped the council in its decision making process and helped to continue the flow of our work towards our goals. I had an amazing time and learned something new at each and every meeting. The entire year was valuable for me! Thank You College Council	5/13/2016 9:44 AM
6	I like when we go around the room and touch base with everyone on key topics. I know we can't do it every time, but it is helpful.	5/11/2016 12:14 PM
7	Financial aid and loan debt	5/8/2016 8:55 PM
8	On going development of the Closing The Loop document and has brought transparency to our processes and linked college needs with resource allocations. Over the last three years, the discussions at College Council have been more in-depth and meaningful.	5/8/2016 5:23 PM
