Board Meeting:

October 11th Report to the Board of Trustees is attached.

- BC's Veterans Resource Center
- Vice President Liz Rozell's remarks to the board about the BC-SW lease co-located with CSUB

Accreditation Visit and Exit Report

Chancellor Kathleen Burke, chair of the visiting team, stated in her closing remarks, "Throughout this process, we have recognized the Renegade pride and sense of family at this institution. This empowering environment drives your innovation."

SB 577

This bill would establish the California Community College Teacher Credentialing Partnership Pilot Program under which the commission, in coordination with the chancellor, would award up to 3 grants, in the amount of \$500,000 each, to collaboratives, that would be comprised of at least one accredited degree-granting institution of higher education with a physical presence in this state and at least one community college, for the purpose of offering teacher credential coursework remotely at participating community college or colleges. The bill would require these degree programs to be accredited by the commission's Committee on Accreditation on the basis of standards of program quality and effectiveness. The bill would authorize priority for the receipt of grants to be given to a collaborative that is located in areas of the state with low rates of K-12 credentialed public school teachers, demonstrates that its degree program or programs meet the documented labor market demand of its target region, and identifies the resources necessary to offer its degree program or programs. The bill would provide that grants shall be awarded only to the extent that funding for the statewide pilot program is provided in the annual Budget Act. The bill would require the Legislative Analyst's Office to submit a report on the implementation of the statewide pilot program to the Legislature and the Department of Finance on or before April 1, 2023.
