College Council Priorities & Work Plan 2019-20

Priorities

In Spring 2013, College Council started the process of developing a work plan to identify College Council priorities and make the work of the college more intentional, visible, and measurable. In addition to the existing charge of College Council, the group will strategically focus on the following.

- Developing a focused and dynamic College Council agenda
- Developing an annual work plan for the Council
- Investing in Professional Development of College Council members and allowing time for reflection and discussion
- Tracking progress and evaluating the work of the college and making recommendations for increased efficiency and reduced duplication, where appropriate
- Sharing successes with the college community
