December 3rd, 2025

Announcements:

- No change at this time to the SLO evaluation process: spring due dates remain unchanged.

Completed Items:

- After discussion with the change to the start of the academic year, Assessment felt that the current system was appropriate to maintain at this time. The idea of moving due dates for SLO evaluation will be a revisited topic in a future academic year.

Upcoming Items:

- A spring FLEX workshop will be held discussing the SLO process across various disciplines to highlight the work Assessment completes and provide a forum to ask questions about our process at Bakersfield College.

Respectfully submitted,

Ricardo Garza, faculty co-chair
