# Program Review

Oct. 14, 2026

## Goals of the Committee:

1. Improve program quality
2. Develop a process for future direction for all programs
3. Reflect the college's vision, mission, and core values
4. Facilitate a transparent resource and budget allocation process
5. Prepare an annual report for the Academic Senate, the College President, and College Council
6. Evolve as reporting technology advances

The PRC also helps with the following:

7. Develop assessment plans
8. Budget planning
9. Provide feedback and training on the program review process for members and editors
10. Advise on new program inclusion
11. Communicate with the campus and community
