

## Course Revisions and Substantial Changes

**Course Revision with Substantial Changes:** Course that has a substantial change to the COR. **Substantial Changes** are triggered when there are **changes to any of the following:**

1. Change in Units
2. Change in Prerequisites
3. Changes to Course Objectives and/or SLOs
4. Changes to Course Content
5. Changing the components of a course from Lecture to Lab and vice versa
6. Changes to Methods of Instruction that impact the outcomes of a course and/or how the course will be offered
7. Changes to Out-of-Class Assignments that impact the outcomes of a course and/or how the course will be offered
8. Changes to Methods of Evaluation that impact the outcomes of a course and/or how the course will be offered

Please note the courses with substantial changes **require:**

- **re-submission to external reviewers for re-articulation at the four-years**
- **re-affirmation of GE at the CSUCO, in coordination with the UCOP**
- **re-affirmation of C-ID**
