\*Full COR course review/revision needs to be submitted to Committee by the end of Fall 2020.

While the blanket addendum submitted to the State Chancellor’s office offers **temporary** approval to address the shift to distance education during the Covid-19 crisis, Colleges have been asked to follow their local approval process for DE addendums moving the approvals into permanent status. Faculty may request to remove a DE modality request at any time two semesters in advance.
