Assessment Report to Curriculum

September 16, 2022 | Faith Bradham, Faculty Co-Chair

- Assessment's first official meeting was September 16.
- Members are now trained in <u>pulling & inputting assessment data for the program review</u>
 assessment table and will be able to assist their departments in this aspect of program
 review.
- Members are also now trained in <u>evaluating learning outcomes in eLumen</u> and have received their first round of courses to review as part of the curriculum process.
 - Members will be assigned courses to review on a weekly basis as we go through the Fall curriculum rush.
