Curriculum Committee Meeting

February 9, 2023, 2:30-4:00 PM

Ethnic Studies: Students entering Fall 2023 and using the IGETC pattern will need to complete Area 7 of IGETC, Ethnic Studies. Other anticipated implementation dates include Fall 2024 for CCCs to include Ethnic Studies, Fall 2025 to move to CalGETC, and Fall 2026 for Title 5 changes for Local GE.

AB 928 (CalGETC): In December 2022, the UC Academic Senate voted on their approach to [AB 928](#) implementation through [UC Regulation 479](#). The Academic Senate of all three systems (CCC, CSU, and UC) have until May 2023 to agree on implementation through [ICAS](#). As previously stated, departments with courses that are only approved for CSU GE and not IGETC are encouraged to revise the course, if possible, and submit for IGETC in preparation for the shift to CalGETC.

Local General Education: Updates to the local general education patterns for the [AA](#) and the [AS](#) occurred and were published in the catalog addendum.

AB 1705 (revisions to AB 705): FACCC is conducting a [qualitative student data analysis](#) on AB 1705 impacts. Please encourage your students to participate. The CCCCCO held a webinar on February 7th about Implementations and Implications. More information is coming.

Program Mapper: Updates to Program Pathways Mapper (PPM) will be occurring based on information submitted through Program Review and at the CSUB/BC 2+2 Convening in Fall 2022. They are expected to appear in the 23-24 catalog if not sooner.

Bachelor's Degree Program: The next round of bachelor's degree applications will start, possibly in March. Another round will occur later in the year as well.

GE Team Recommendations: Review the attached GE Team report for the recommendations and feedback on courses requesting any form of General Education.

Respectfully submitted,

Erica Menchaca
