

Articulation Officer Report

Curriculum Committee Meeting

February 23, 2023, 2:30-4:00 PM

IGETC with Area 7: Freshman entering Fall 2023 using the IGETC or IGETC for STEM pattern, must complete Area 7. To make room for Area 7, students following IGETC will only need 2 courses in Area 4; students following IGETC for STEM will only need 1 course in Area 4. A catalog addendum will be published with information for students with catalog rights starting in Fall 2023. Program maps in Program Pathways Mapper and Starfish will need to be updated.

AB 928 (CalGETC): In December 2022, the UC Academic Senate voted on their approach to [AB 928](#) implementation through [UC Regulation 479](#). The Academic Senate of all three systems (CCC, CSU, and UC) have until May 2023 to agree on implementation through [ICAS](#). As previously stated, departments with courses that are only approved for CSU GE and not IGETC are encouraged to revise the course, if possible, and submit for IGETC in preparation for the shift to CalGETC.

GE Team Recommendations: Review the attached GE Team report for the recommendations and feedback on courses requesting any form of General Education.

Respectfully submitted,

Erica Menchaca

Articulation Officer
